

The Connecticut State Museum of Natural History presents

A Visit to the Miniature Forest

with Dr. Bernard Goffinet

Gain insights into the mosses of Northeastern Connecticut with Dr. Bernard Goffinet of the University of Connecticut's Department of Ecology & Evolutionary Biology.

Join Dr. Goffinet on an easy hike through a portion of the 165-acre parcel known as the "HEEP", or Hillside Environmental Education Park. Participants will explore, discover, and hear stories about native mosses and the miniature forest that can be found right below their feet!

**Saturday
October 8th
10AM - 12PM**

**The HEEP
